About Company

At Veemi Accounting, we are committed to providing reliable services that drive growth and support long-term success for our international clients, while strengthening our presence in the U.S. market. With a strong focus on global compliance, our team is wellversed in international standards, including IFRS, GAAP, and cross border tax regulations. Our firm is led by certified professional accountants, qualified CAs, and experienced tax advisors.

We blend years of hands-on experience with specialized knowledge to deliver tailored financial solutions for businesses of all sizes. Our approach is designed to drive profitability, ensure compliance, and support the long-term success of our clients across every sector.

Mission

At Veemi Accounting, we simplify the complexities of financial management with seamless accounting and bookkeeping solutions. Our mission is to empower businesses with accurate insights, reliable support, and forward-thinking strategies. By combining expertise with innovative tools, we help our clients unlock their financial potential and stay focused on what they do best — **growing their business.**

Vision

We envision a world where businesses make confident, data-driven decisions backed by clear financial insights. As a trusted financial partner, Veemi Accounting is committed to redefining accounting excellence. Through cutting-edge technology, personalized service, and unwavering dedication, we strive to transform how businesses manage their finances and achieve long-term success.

From the Desk of the Founder & MD

At Veemi Accounting, we are committed to providing reliable services that drive growth and support long-term success for our international clients, while strengthening our presence in the U.S. market. With a strong focus on global compliance, our team is wellversed in international standards, including IFRS, GAAP, and cross border tax regulations. Our firm is led by certified professional accountants, qualified CAs, and experienced tax advisors.

At Veemi Accounting, we know that no two businesses are alike. Over the years, we've partnered with companies at every stage, from fast-growing startups to well-established firms, and one thing has remained constant: the need for clarity, trust, and efficiency in financial operations. Our role is not just about balancing numbers; it's about creating confidence. Whether it's managing day-to-day bookkeeping or navigating complex compliance, we take pride in being the steady partner our clients can lean on, so they can focus on growth while we handle the details

Virtual CFO Services for Startups

Helping Startups Build Smart, Scalable Financial Foundations

As a startup founder, you wear many hats but managing complex financials doesn't have to be one of them. At Veemi Accounting, we offer affordable Virtual CFO services designed specifically for early-stage companies that need expert financial guidance without the high cost of hiring a full-time CFO.

Our goal is to empower startups with strategic financial planning, cash flow clarity, and investor-ready reporting. So you can focus on building your business.

What We Do for **Startups**

Financial Roadmap & Forecasting

We help you set clear financial goals, create realistic forecasts, and map out a funding-ready business plan.

Investor-Ready Reporting

Get professionally prepared pitch decks, financial projections, and monthly updates to present to investors or VCs.

Compliance & Controls

Ensure your startup is compliant with US accounting standards, IRS regulations, and has the right financial controls from day one.

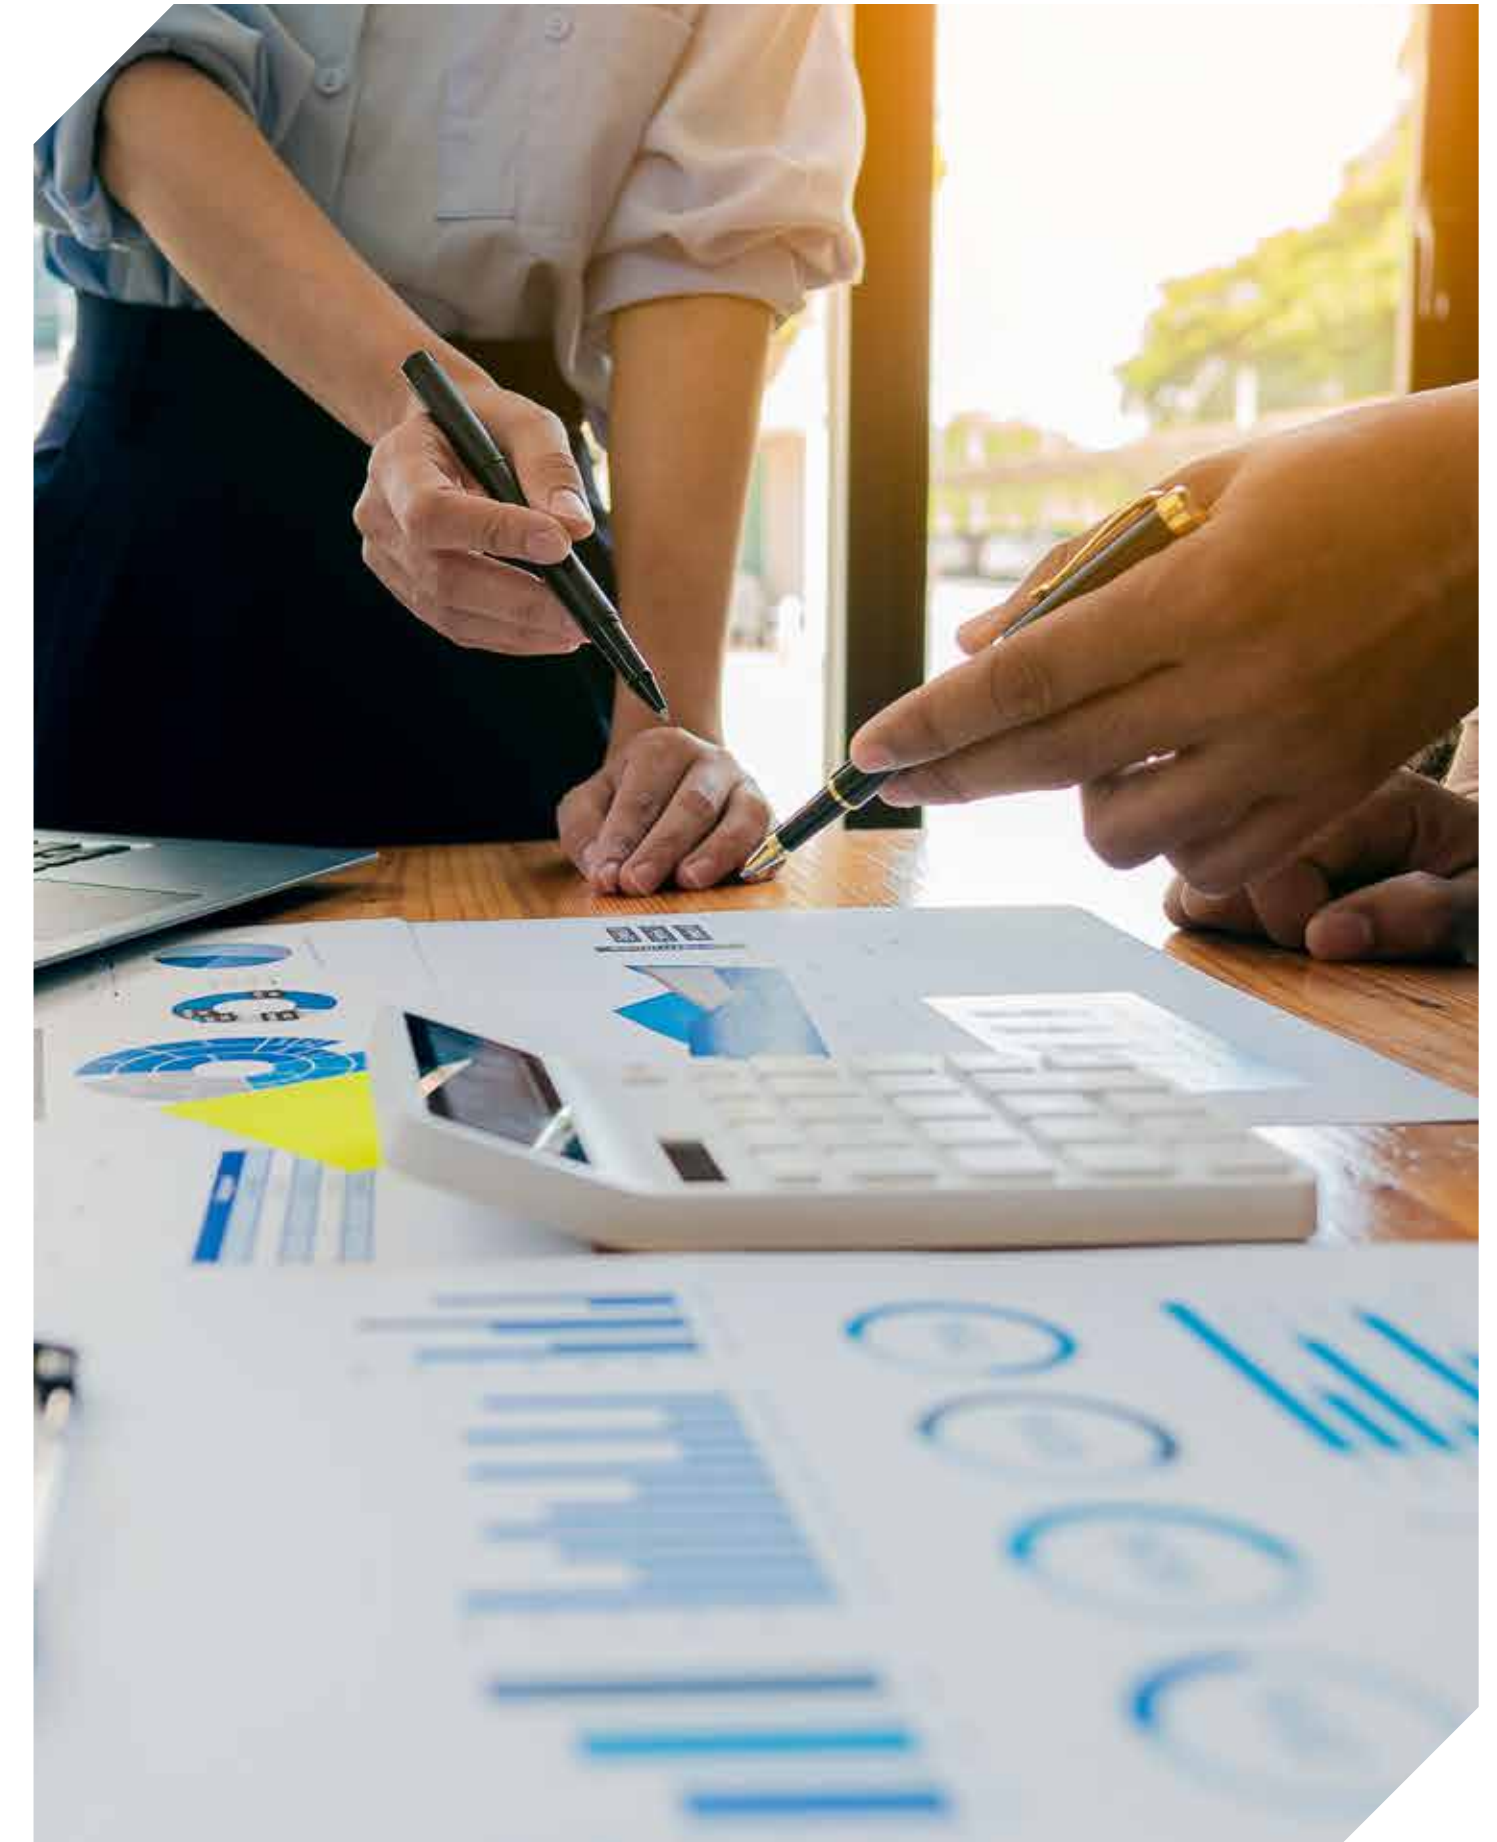

Budgeting & Cash Flow Management

Gain full control over your runway. We track your cash burn, optimize expenses, and help extend your growth timeline.

Strategic Decision Support

From pricing models to hiring plans we provide financial insight to help you make confident, data-backed decisions.

Accounting for CPAs

At Veemi Accounting Solutions, we serve as an invisible extension of your CPA firm providing the execution muscle behind your strategic leadership. Our mission is to help Certified Public Accountants (CPAs) across the U.S. reduce workload pressure while maintaining high-quality, U.S. compliant deliverables.

We understand the demands of growing client portfolios, seasonal peaks, and tight deadlines. That's why we've designed our services to seamlessly plug into your firm's workflow. Whether you need support with monthly write-ups, year end finalization, or audit prep, our dedicated team ensures every task is completed with accuracy, timeliness, and full confidentiality.

By partnering with Veemi, you gain more than just capacity you gain peace of mind.

Our Support Services for CPAs Include

Tax and Compliance Services

Ensure timely and accurate filings, keeping your clients fully compliant with U.S. regulations.

Periodical Write-Up Services

Maintain clean, organized books with monthly or quarterly write-ups, ready for review at any time.

Year-End Finalization Services

Close the fiscal year confidently with reconciliations, adjustments, and final financial reports.

Audit Assistance Services

Streamlined support during audit cycles—from data preparation to coordination and follow-up.

Data Security

At Veemi, we believe that security is not just a feature it's a responsibility. We understand that our clients trust us with sensitive financial data, and we take that responsibility seriously. That's why we have built a security-first culture with strict protocols, advanced systems, and a fully compliant infrastructure to protect your data at every touchpoint.

From infrastructure to people and processes, our commitment to confidentiality, quality, and compliance runs deep.

Our Security **Framework** Includes

Dedicated IT team for monitoring

Continuous threat detection and system uptime assurance.

Secure cloud storage (100% compliant)

Encrypted and region-compliant data hosting.

Biometric access & CCTV surveillance
